Dear Daniel Family,

I wanted to take a moment to say thank you for all the wonderful kindnesses you have shown our family. For everyone of our family you have prepared for their final Rest and for the extra mile you have all always gone for us. There is only Jim & I left from our immediate family. And you are again going above & beyond. Thank you from the very depths of our souls. I know Lester is smiling and happy!

...again and again.

With Much  
Love -
