

Dearest John and Family,

11-22-09

We want to express our sincere gratitude for all your work and thoughtfulness, not to mention having to answer our constant questions, which ended up in an extremely memorable funeral service for our family member, Ray Jones. We do not know what we would have done without you. O.K, okay! I know, too many thanks! Sorry! No, not really! You deserve many more thanks for all you have done for us to ease our burden in this difficult time!

Sincerely thankfully, Yours,
Ed + Kasey Jones
