Dear John, Tina & family,

Just a little note to  
thank you for all of your  
help, kindness & compassion  
during the time of our  
recent, tragic loss.

(Alexander Decastro)

Here's a simple message,

Especially for you.

Just another way of saying -

A big "THANK YOU".

Your professionalism,  
organisation -- and yet  
genuine care made things  
so much easier to bear,  
- and will never be  
forgotten.

With gratitude always,  
Helyn Ward - Auckland  
(Alex's mom (uk))
